Professional Summary: Enthusiastic Full-Stack Developer with hands-on experience building scalable and secure web applications using React.js, Next.js, Node.js, and TypeScript. Proficient in developing responsive user interfaces, designing RESTful APIs, and implementing authentication systems, with a strong focus on clean, maintainable, and efficient code.

Experience: **Web Instructor (volunteer) || Shanto Marium University of Creative Technology (Software Club)** || 2025-Present

Responsibility: I am responsible for teaching and mentoring students in web development, guiding them through both fundamental concepts and practical project implementation.

Technical Skills:

Frontend: Tailwind CSS, JavaScript, TypeScript, React.js, Next.js

Backend: Node.js, Express.js, Rest APIs

Database: PostgreSQL, Prisma ORM, MongoDB

Tools: Better Auth, Cleark, Firebase, Shadcn UI, Daisy UI

Projects

Green Mart |Multi-Vendor E-Commerce & Delivery System | Live Link

Role-Based Dashboards: Specialized interfaces for Customers, Vendors, Delivery Partners, Admins, and Super Admins.

Core Features: Full CRUD for Products, Blogs, and FAQs; integrated Stripe payments and real-time delivery tracking.

LearnStack | A E-Learning Platform | Live Link

• Full-stack e-learning platform enabling teachers to create, upload, and sell courses with integrated payment gateway and role-based dashboards (Teacher/Student/Manager).

• Features include course management, class uploads, class download, ratings & reviews, secure authentication, progress tracking for an enhanced learning experience, CRUD in Blogs, FAQ and Help sections. Manager can manage every role.

Blog Server Backend | Backend Code Link

• Production-ready blog engine built with Node.js, Express 5, Prisma, PostgreSQL, and Better-Auth, featuring secure authentication, session management, and role-based access control (RBAC).

• Developed RESTful APIs with advanced filtering, nested comments with moderation, and a scalable modular architecture with optimized database indexing.

Education: **Shanto-Mariam University of Creative Technology |** B.Sc. in CSE | 2025 – Present
